FIRE SIGN FRAMES

EasiFrame™

THE SIMPLE ANSWER TO A FIRE SIGN PROBLEM

Well-placed fire safety signs are essential and must be easy to read and understand in an emergency. But are they good to look at? Do they integrate unobtrusively into customers' interiors? This problem is solved with the help of the Firechief EasiFrame.

Designed specifically for the fire safety market, these lightweight frames are single piece plastic mouldings that fix to the wall with adhesive. Eyecatching, cost-effective and easy to install in four different finishes.

- 6 sign sizes available
- Available for exit signage, extinguisher ID signs, fire action notices and 100mm x 100mm equipment location signs
- Ideal for offices, shops and hotels
- Stackable for compact storage in the van
